

Every trip counts Communities in motion

How to use your \$25 Communities In Motion reward.

Thank you for participating in the Communities In Motion program! Enclosed is the \$25 reward that you selected when you signed up for either an ORCA card or a TranBen Voucher. Below is information on how to use your reward.

ORCA card: Your card is pre-loaded with \$25 to pay as you ride the region's buses, trains or ferries. An ORCA card works like cash or a monthly pass on a variety of transit services in the region: Community Transit, Everett Transit, King County Metro bus and Water Taxi, Kitsap Transit, Pierce Transit, Sound Transit Express bus, Link, Sounder Train and Washington State ferries. To learn more about ORCA cards, how to register, how to reload or find locations to reload your card, visit orcacard.com.

TranBen Voucher: You can redeem your \$25 voucher in one of three ways:

- 1) Add value to your ORCA card's E-purse (per trip value)
- 2) Pay a portion of your monthly pass
- 3) Pay a portion of your monthly King County Metro vanpool* fare

Add value to your ORCA card with the voucher by mail, in person at a customer service office, or at a participating retailer. To pay a portion of your monthly King County Metro vanpool fare, give your voucher to your vanpool bookkeeper.

**To find a vanpool for your work commute, go to kingcounty.gov/metrovans or call us a 206-625-4500.*
